**September 1st-6th the campaign will run here in Göteborg**  
**Place: Serneke Arena, Kviberg**

Most Christian churches and assemblies in Gothenburg stand together in this.  
We're doing this together because we want to give hope to everyone in our city.  
We know life can be tough sometimes.

There's a lot of grief and tragedy.

We turn towards all those that desire for something more: THERE IS HOPE!
