

## Inauguration of Frihamnskyrkan

Finally! We've waiting and longed! After a number of years, our dream has now become reality.

The new church at Frihamnen is almost ready to open its doors for Gothenburg. A roof-top terrace with an amazing view. A unique concert hall for the entire city. A place to mingle, enjoy and grow. A place for refreshments and exercise. A place for co-working and education. The list can go on but above all of this, it is a place where help and hope can be received and experienced.

A place for an encounter between heaven and earth.

Gothenburg has got a new house of God in the heart of the city, and we want to celebrate!

**September 17<sup>th</sup>** we will celebrate our very first church service. A service that will flow into an inauguration. We want as many as possible to be able to take part and that's why we're offering two opportunities during the day that will be marked with festivity and joy for all ages. A lot of fun will be going on both before and after the service.

**Both kids and adults need to register due to limited seating.**

There are two occasions to choose from:

**Service and inauguration 10.30**

**Service and inauguration 16.00**

We'll open up an hour before in order to tick off your name and treat you to some goodies.

**NOTE!: You only register one person at a time. One reserved place per registration.**

In order to secure your place we ask you to register yourself via the following links in swedish:
