I hope you've had a great week and that you have visited our website [www.smyrnainternational.com](http://www.smyrnainternational.com) and followed the Spotify link so you can practice singing at home the songs we will be singing together this Sunday.

On Sunday, we'll be recording material for four television services that will be broadcast on Swedish Television during the month of April.

Please arrive already by 10.30, so we can do some of the filming at the church lobby.

On Sunday we will start filling the main floor first and then continue filling backwards and upwards on the balcony.
