

Open pre-school

Good news for the new year.

On **Friday, January 24th**, we open Barnlandet (our kids play area on floor 3) for open pre-school, a meeting place for children aged 0-6 years together with a parent or other adult.

At the open pre-school there is the opportunity to play, create, sing and socialize together.

As an adult, you are responsible for your child.

The activities are free of charge and you don't need to register.

Together with us, you as an adult can make new contacts, exchange experiences and get advice and support in your parenting.

The open preschool in **Frihamnskyrkans Barnland** (kids area) is on a Christian basis,
Fridays 10.00-13.00.

Welcome!
