

EASTER 2025

Do you wonder what the Christian faith is all about? Easter is the churches' biggest celebration. We celebrate what is the very focal point of the Christian faith, Jesus' resurrection from the dead.

The Christian faith stands or falls with the resurrection. Either it's where it all starts or it's where everything ends. So let us follow Jesus during His final days and see what happened in Jerusalem during the week that changed the world forever.

A highlight is the Easter meal on Maundy Thursday in the Upper Room venue on floor 5. With a view of the entire city, we'll eat a tasty meal and see how Jesus in the middle of the Passover meal institutes the Eucharist, our Holy Communion.
