

**Something big is happening. And you don't want to miss it.**  
**The Send is coming to Gothenburg – a gathering that is about living completely for Jesus, saying yes to the calling and being sent out into everyday life, the nation and the world.**

### **What happens through The Send?**

At a The Send event, thousands gather in praise, worship, and surrender to Jesus. The Send reminds us of the importance of living a life of prayer and deep grounding in the Bible. Through challenging speeches and inspiring testimonies, The Send invites everyone to live wholeheartedly for Jesus — without shame for our faith.

The event itself has now been compressed to **6 hours (17.00-23.00), November 22<sup>nd</sup> at Partille Arena**. The content is much the same as at larger The Send gatherings, but with a clearer focus on getting involved in schools and in mission.

Young people and students are especially encouraged by The Send to be a light in their schools and universities, and to live out their faith in everyday life, where they are placed.

At the same time, The Send gives participants the opportunity to say “yes” to reaching unreached peoples, and to take the gospel to places where it has not yet been heard. Finally, we emphasize building good rhythms in faith practices such as the Bible, prayer and evangelism.

This helps to make the life of faith sustainable.

After The Send, follow-up is provided on the opportunities participants say “yes” to during the event. This follow-up is done in collaboration with our partner organizations, both locally and nationally.

Participants are contacted to initiate a plan that helps them take concrete steps based on the decisions they made during the event, whether it concerns involvement in schools, missionary service, or strengthening their faith practices.

The Send is more than an event—it's a movement that turns faith into action and equips individuals to make a difference, both locally and globally. Because Jesus is worth it!
