

EASTER 2026

Do you wonder what the Christian faith is all about? Easter is the churches' biggest celebration. We celebrate what is the very focal point of the Christian faith, Jesus' resurrection from the dead.

The Christian faith stands or falls with the resurrection. Either it's where it all starts or it's where everything ends. So let us follow Jesus during His final days and see what happened in Jerusalem during the week that changed the world forever.

A highlight you really don't want to miss will be the Easter meal on Maundy Thursday in the Main Hall on floor 1. We'll enjoy eating a tasty meal and at the same time experience how Jesus in the epicentre of the Passover meal institutes the Eucharist, our Holy Communion.

Want to know more? A warm welcome to celebrate Easter 2026 in Frihamnskyrkan.
