

Sometimes we need to get a little deeper. Explore and discover. Learn and understand. During our so-called Deeper evenings, we explore life's big questions, current topics and dig into the texts of the Bible. Each evening offers a new perspective, new meetings or exciting Bible contexts. Regardless of your background or beliefs, you're more than welcome to think, grow and talk about important issues.

Kafé Frihamnen is open before these evenings commence.

DEEPER 14TH OCTOBER 18-20.00

We want to reach new people with the gospel part 1
We go further

What does it take for a completely new person to feel seen and welcome? How do we help that person into the community and to find a faith? During the first of two Deeper evenings, we listen to personal stories from Alpha, Meeting point, Lay-by point and Young Adults. We talk around the coffee tables about how we together can create a warm meeting place for everyone who steps over our threshold and how we show the way forward.

DEEPER 11TH NOVEMBER 18-20.00

We want to reach new people with the gospel part 2
Where we are - with what we have

We spend most of our time outside the church walls. How do we switch our focus from being a "gathering" church on Sundays to being a "sending" church into everyday life?

Welcome to an evening with inspiring stories and talks around coffee tables when we look at our places of work, schools and neighbours. We'll discuss how we can lower our shoulders and live as Jesus disciples right in the midst of the city pulse.
