

PAY IT FORWARD

One Church – One Mission – Four focus areas

PAY IT FORWARD is three years where we're laying the foundation for a brand new season in our church. We believe that the best in life is given through Jesus Christ and we want to share the best we have. We don't just want to preserve what God has entrusted to us – we want to see it multiplied. It's about opening our hands, setting our faith in motion and passing it on. Where we are and with what we have.

OUR PRAYER AND OUR GOAL

We want to honour God by being a multigenerational, multicultural, and multiplying church. A church in motion that nurtures new followers of Jesus Christ—all the way from the street we live on to all the nations of the world.

We don't make these priorities because it's easy or convenient.

We do it because we hear God's call; To be a rescue boat in Frihamnen that sets out into deeper waters with greater capacity for the city and the world.
